MASTER OF INFORMATION TECHNOLOGY / MASTER OF COMPUTER SCIENCE – 2007

Notes for Applicants

Handover the completed application form with a receipt for Rs. 400/= issued by the shroff's office, UCSC, to the Assistant Registrar, Academic and Publications, UCSC, and obtain the Admission card for the Selection Test by 6th July 2007.

The Selection Test for the applicants will be held at 10.00 a.m. on 28th July 2007. Candidates should present themselves at the designated Examination Hall at University of Colombo with the Admission Card, on this day by 9.00 a.m. the latest.

Applicants should use the reference number given in the admission card as their index number at the selection test. For any queries please contact M.Sc. Coordinator on 011-2581245 /6/7.

The Names of the applicants who have passed the selection test will be published on the web site <http://www.ucsc.cmb.ac.lk> . Those who have passed the test should present themselves for an interview at the indicated time, for which the candidate should bring the relevant original copies of supporting documents and referee reports.

Sitting and or passing the Selection Test does not guarantee admission to the MCS / MIT course. Candidates not satisfying the basic entry requirements would be disqualified at the interview stage.

Those who are successful at the interview will be notified in writing, by 15th August 2007 for registration.

Course fee in full is required to be paid at registration, along with a refundable library deposit of Rs. 2 500/=. Registration will close on 31st August 2007.

Those who are awaiting degree results may also apply, but would be required to show the results by the date of the interview.
